

CHRIST'S CARE FOR CHILDREN:KENYA/PROJECT 24

God is with us

Matthew 18:20 "For where two or three are gathered in my name, there am I among them."

Every year, the leadership of the ELCK along with the LCMS missionaries come together to discuss the progress of the Project 24 program. This year the annual State of P24 Forum was held at the

P24 Tumaini site in Kisumu. It was a time for each site manager to share their annual reports and finances for the past year as well as their goals for the upcoming year. Now that the Kenyan government has officially opened the schools, the sites are well under way for a great year. Many of the goals of the site managers include income generating projects that will help with the sites' sustainability. We look forward to seeing what the new year will bring to help serve the vulnerable children here in Kenya.

Our newest member

Grace Lokera, the site manager at Project 24 Kabichbich, is our newest member to the P24 team. With the opening of Kabichbich in January 2020, a well educated person was needed to oversee the project. Deaconess Grace had been working as a parish worker

prior to her engagement at Kabichbich. She now takes care of 25 boys at the site as well as the boys who are now in secondary school from that region.

Deaconess Grace comes from the Pokot region in the northwest area of Kenya. She is married with 7 children of her own. She is excited to be part of this team and is learning a lot from the other site managers. She thanks God for giving her this opportunity to serve.

Her favorite thing is to stay and care for the children, giving hope to the hopeless. Her favorite Bible verse comes from the book of Jeremiah, chapter 33, verse 3: “Call to me and I will answer you and will tell you great and hidden things that you have not known”.

We welcome Deaconess Grace to the P24 team!
